

Hi SS Paddling Member,

We are organizing our spring training sessions. We are very fortunate to have Lisa Stafford as our instructor. This year we are hoping to add a Rolling Clinic in the Pool and a Chartwork Course if there is enough interest. We are planning Paddle Canada Level One, plus two Rescue Clinics as usual.

Please review the information below on the 1) Rolling 2) Chartwork 3) Paddle Level One, and 4) Rescue clinics.

The Paddle Level 1 and Rescue Clinics registration opportunities will be going out in a later email closer to the date.

If you have any questions or concerns, please contact me directly at [Aprilfaget@gmail.com](mailto:Aprilfaget@gmail.com) or 250-220-0480.
